Hi all,

Please find attached the latest draft of the OA briefing for OWOW on March 15. Please take a look and let me know if you have any edits by February 28. The technical team is also reviewing it.

I will also revise the pros and cons sheet (Steve—I've got your emails about my so-so pros from before, so I'll work on that language...) and Cara has asked for a one-page options paper, which I'll also draft.
